Subject: Purchase Order for 10MM and 20MM Material

Dear Sir/Madam,

As per the ongoing railway project requirements, our business is currently supplying 10MM and 20MM aggregates to Max Infra Company.

Considering our full production capacity is already engaged, we are unable to meet the complete order requirements internally. Therefore, we intend to purchase material from your unit.

Purchase Details:

Material Required: 10MM and 20MM Aggregates

Quantity: 300 Tonnes per day

Rate: ₹825 per tonne

We request you to consider this as our formal purchase order and proceed accordingly. Kindly confirm your acceptance and availability.

Thank you for your cooperation.

Warm Regards,
Bhupinder Kumar
